

WHY HUGLU HUNTING FIREARMS

1. With over 100 years experience, Huđlu Hunting Firearms Cooperative is the first factory which produced hunting firearms.
2. It is the factory who served to Turkish Army for many years.
3. Just because 95% of the workers are also shareholders, it is the only factory there would be no exception of quality.
4. With its ateliers, wood departments, heat treatment sections and chrome departments, it is the first and only complete factory of Turkey.
5. It is the only factory which produce the barrel and receiver from the chief raw material.
6. It is the only factory in Turkey which is able to sell O&U (Over and under Shotgun) and S/S (Side by Side Shotgun) to more than 20 European countries.
7. It is the factory which exports shotguns more than 50 countries worldwide.
8. It is one of the 3 wellknown Turkish brand in U.S.A declared in 2005 by U.S.A Patent Office Specialist Mr. Simon Anholt.
 - Arçelik (White Goods)
 - Lassa (Automotive Tires)
 - HUGLU
9. It is the only brand and only hunting firearms factory which was priced with Consumer Quality Price in 2006.
10. It is the first brand to remember if it is a shotgun.
